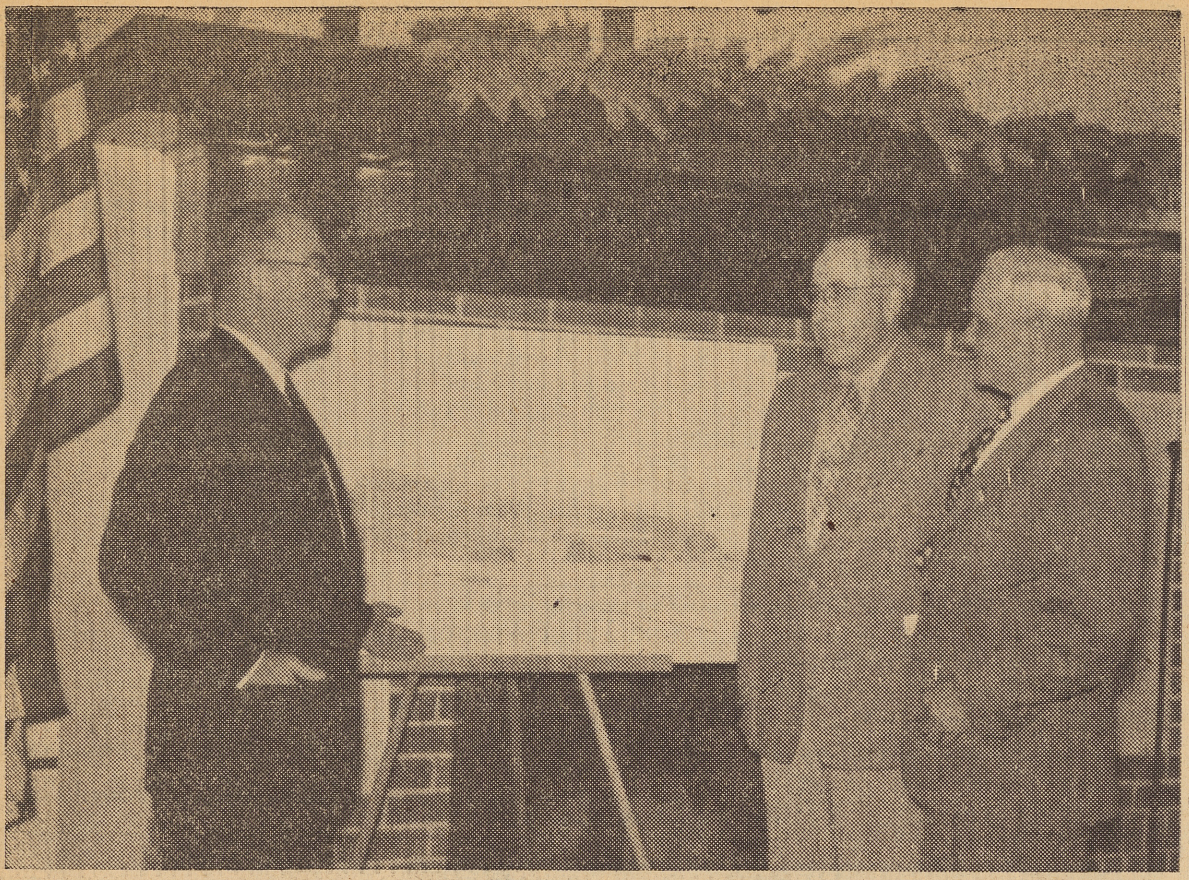
A GROWING NEWSPAPER — A GROWING COMMUNITY

Vol. 63, No. 47 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Thurs., Dec. 15, 1955



Ethan Lanphear, right, president of the Campbell Kiwanis Club and Carl Field, program chairman, listen intently to Albert C. Beeson, former member of President Eisenhower's National Labor Relations Board, now general manager of Valley Fair, explain details of the Regional Shopping Center under construction now on the 40-acre site on Stevens Creek Road, just east of Winchester Road, where 1000 people are to be employed in 65 stores, anchored by the two storied Macy's Department Store. Beeson said this area with 331,000 population today is undermerchandised by some $76,000,000 annually and that because of its potential purchasing power it is recognized as one of the brightest spots in America for business.

FORUM PROPOSED FOR CITY HALL PURCHASE

The city council at an adjourned meeting last night again deferred action on the proposed storm sewer agreement with City of San Jose for a line from San Jose annexed property at Campbell avenue and Saratoga Avenue, through Campbell city limits to San Tomas Aquina Creek, but agreed to act as soon as word was received Monday night from San Jose Council on the Maywood No. 3 annex extending toward Hamilton avenue along Winchester Road.

Council last night discussed feasibility of holding a public meeting on a proposal to acquire the Congregational Church property on Central Avenue under a lease purchase plan, using its facilities for much needed office space. City would propose using surplus funds now available and those which will be available in the future. It was indicated the proposal may be on the agenda of Monday night's meeting to fix a time and place for such forum meeting.

FOURTH CAMBRIAN SCHOOL HONORS MARTIN FARNHAM

The Martin H. Farnham Elementary School is the name of the fourth school to serve the Cambrian School district according to action taken by the school board last Thursday in tribute to the man who for nine years served on the school board and who devoted much of his time to scout activities and leadership in the district and the San Jose Scout Council. Mrs. Farnham is past president of the Cambrian Home and School Club and for years served in girl scout and other youth activities. Their home was near Woodard Road where the new school is to be located.

Albert Vatuone, present vice-principal of Steindorf School was appointed principal of the new Farnham School to begin with the 1956-57 term in September.

The board opened bids for Wing E on the Steindorf School with O. H. Leibert having low base bid of $91,000. An alternate of $7,500 deducted from the base would bring the cost to $83,500 which sum is under the Department of Finance estimated maximum cost of $83,840 so that is likely to be approved by the allocation board and work begun about the first of the year. The bids were taken to Sacramento by O. Johnson of the State Department of Finance. Other bidders were Leonard Semas $92,765, D. Tomacci, L. Tolbertson, Carlson Construction Co., M. W. Reese and J. C. Row.

The board granted the request of Oscar Meyer for an extension of time to February 16 on construction of the D. M. Bagby School because of delay in deliveries of materials.

Vatuone is president of the Santa Clara County Teachers Association, and formerly was a high school teacher at Oakdale. This is his fourth year with Cambrian schools.

Litterbug Case Dismissed Here

Frank Copeland of 32 Gilman Avenue entered a plea of not guilty to charge of violating Motor Vehicle Code 600.5, dumping trash on streets, before Judge Paul Crawford in Justice Court in Campbell on December 1.

Defendant was arraigned in Justice Court on complaint of a Campbell citizen who said he had found an envelope addressed to Copeland in some trash allegedly dumped in front of his home. The case was dismissed because of lack of sufficient evidence.

Judge Crawford stated that every effort is being made to enforce the newly enacted "Litterbug" law, but cooperation of citizens is needed to help keep streets clean and free from litter.

SCHOOL BOARD OKAY NEEDED ON SUNOL SIGNUPS

Sunol Elementary School District voted 7-1 Tuesday to join the San Jose Unified School District rather than the Campbell High School district. A similar election held last August was defeated 121 to 115. Sunol district has been without a school building since the one erected in 1880 was condemned.

San Jose Unified District proposed that two new schools would be built if the district merged with them. By joining Campbell, the Sunol district would have retained its identity.

More than fifty students from Sunol district now attend the Campbell High School, walking to the district limits in order to get school bus transportation. The high school district is re-imbursed for this service until the end of the term. It will take board action if any are to be returned next September and then only if the district is compensated, according to Laurance Hill, district superintendent.

A Cappella Choir At Rotary Meet

The Campbell High School a cappella choir appeared before the Campbell Rotarians on Monday. "Noel", "We Three Kings" and "Silent Night" were some of the songs presented by the choir, under the direction of Frank Triena. Robert Culp was chairman for the day.

Members of the Campbell Women's Service Club distributed information sheets on the newly formed "Teen-age Work Coop", which now has a register of teenagers who are willing and able to do many types of work and odd jobs for anyone needing their services.

The Rotary Club will hold its family Christmas party at the Monroe School next Monday evening at 7:00. Neal Royer is chairman for the affair.

11 NEW HOMES FOR CAMPBELL

Permits were issued this week by Building Inspector W. L. Morser for a new home to cost $12,800 on Kuehnis Drive for Alfred Davis, and to the Sara Sun Development Company for ten new homes to cost $80,000 on Budd avenue. This brings the total to $124,227 for December, to date.

St. Lucy's School Yule Party Plans

St. Lucy's School will hold their Christmas party for the children in the school tomorrow afternoon at which there will be singing of Christmas carols and exchange of gifts.

Mrs. Bill Lawless, room mother chairman, will be in charge of refreshments, assisted by Mesdames George Del Grandy, Joe Corcoran, Chester Yerkovich, Ray Buchner and Anthony Scionti.

City Challenges Ethics Of San Jose Annex

Because each of the four new annexations filed with the County Boundaries Commission by City of San Jose, are east of the San Jose-Los Gatos Road, no protests were filed by City of Campbell. Total of the annex would be 105 acres including a 10-acre site at Foxworthy and Union, 33½ acres at Foxworthy and Almaden, 47 acres at Jenkins and Foxworthy and 15½ acres at Camden and the San Jose-Los Gatos road.

City Council of Campbell adjourned Monday in order for members to attend the San Jose City Council meeting and register a protest on proposed annexation by San Jose of Maywood No. 3, extending limits to Hamilton avenue. Acting Mayor John Chargin charged the annex seeks to ring the north side of Campbell in violation of an agreement made by the two councils last January setting up spheres of influence.

City Attorney Joseph Bonacina charged that a subdivider had offered to pay the taxes of Mr. and Mrs. Rocci Lamantia for two years if they would agree to have their land annexed to San Jose. Bonacina said this was unethical, but San Jose Councilman Louis Solari said it was all a part of a legitimate business deal. Parker Hathaway of San Jose denied there was any understanding between the two cities over spheres of influence in spite of the fact that Campbell Councilmen and the City Attorney contend that there was and that it had been so reported in the press.

San Jose Council continued the hearing for another week over dissenting votes of Hathaway and Solari.

MOTORCYCLE CRASH HURTS TWO YOUTHS

Two Campbell youths sustained injuries late yesterday afternoon when the motorcycle on which they were riding west on Budd Avenue collided with a car driven by Richard O. Nilsson of 7662 Goodwin Avenue in San Jose.

The injured were Harold McFall, 17, of 620 Emory Avenue who sustained a knee injury, and James DeLauder of 561 Emory Avenue who sustained a fractured leg. Both were removed to the County Hospital for emergency treatment.

The accident which happened at 65 Budd Avenue resulted when the motorist attempted to turn right and the cyclists were on that side of the road, according to investigating police officers.

A trio, composed of Mrs. Jack Chappell, Mrs. Jerry O'Connell and Mrs. Carl Brown, will also take part in the program. Reverend Herbert Neale will be narrator for the program and Mrs. D. R. Van Rossom will be organist.

"In Dulci Jubilo", a German sixteenth century melody; "Break Forth, O Beauteous Heavenly Light", a Christmas Oratorio by Bach; "Lo, How a Rose", a sixteenth century melody, and "Polish Carol", arranged by Reed, will be some of the selections presented by the choirs.

CHRISTMAS PLAY TOMORROW AT HIGH SCHOOL

As a Christmas gift to the community, Campbell High School this evening will present the annual Christmas play, entitled "What is Christmas".

The play is centered around the thought that Christmas is many things. The play will be divided up into three scenes. The first scene is centered around the home. It will take place in the typical living room during the Christmas holiday.

This year's program, now being coordinated by drama director, Ken Wallace, has a religious motif and will feature four selections by the high school orchestra under the baton of Frank Triena after a "Christmas Festival" overture. Bill Perkins will direct the combined glee clubs in Christmas carols.

Modern dancers, well-schooled by Mrs. Virginia Jennings, will flit all through the program, tying it up with Christmas spirit.

The carolers will be there along with the children, the Christmas presents, and good food. The carolers will sing, "Carol of the Bells", "O Come All Ye Faithful", "O Come Immanuel", and "Deck the Halls". The father and mother will be played by Donna Creech and Nick DeRose. The dancers participating in this scene are: Evelyn Lopez, Claire Ralston, Andrea Wynns, Sharon Ford, and Suzan McNally.

The second scene is with the idea that Christmas is in toys. The scene will open on a street scene with the people and toys in the store windows.

Different Christmas characters will be brought out in dance. Jeanine Misener will do a dance on roller skates featuring the ice skating so popular this season in the East.

After the street has been cleared of people the toys will come down from the windows and dance. The King of Beasts will call his militia of Sandy Canes. The Jack-in-the Box will dance for the Ballet Doll and the stuffed animals, the three elephants and the little Pink Bunny, will dance.

The dancers in this scene are Marilyn Lackey, Pat Esparza, Linda Nichols, Darlene Testa, Kathy Ray, Sharon Pinza, Billie Ann Pedemonte, Pat Weymouth, Betty Ballard, Sharon Ray, Jeanine Misener, Freeda Young, Merrill Whaley, Jan Mashburn, Carol Coultrup, Kay Stephenson, Gay Jacobson, Adrianna Fellabaum, Marilyn Owen, Marcia Slauter, June Holt, Carol Wilcox, Ann Garrison, Nancy Stamp, Carol Dampier, Elaine Rose, Lorelia Delia, Jo Weidner, Donna Lenz, Sherry Robinson, and Mickey Richards.

The third scene will develop on the thought that Christmas is in Christ. This will feature the Nativity scene. Mary and Joseph will be played by Maureen Hannibal and Gary Kirk. The dancers in this scene are: Pat Holdren, Janet Qillespie, Mary Munson, Lynne Schaper, Elizabeth Eckhardt, Karen Miller, Pat Tashima, Barbara Dushey, Anita Horan, Kathy Bascom, Diana Bohaoha. The choir will sing from the balcony "O Bone-Angels We Have Heard on High", "We Three Kings", and "Ave Marie".

The Glee Club will sing "Bring A Torch" featuring Jeanette Isabella, "The Holy Day Holly Carol", "No Candle Was There, No Fire", "The First Noel".

The Choir will sing "Sing Noel", "Three Kings", "Praise Ye The Lord".

The orchestra's selections are to be "A Christmas Festival", "Christmas Carolls", "Prayer" from Hansel and Gretel.

Two date palms, planted at Winters in 1858 or1859, remain on property now belonging to the University of California.

MERRY CHRISTMAS
AND A
HAPPY NEW YEAR

Here is the Campbell High School's yuletide greeting to the community, a 15x40 foot board displayed on the east lawn of the campus well illuminated at night. It was prepared by the industrial arts department and financed by the Campbell Stamp Association. Bottom of the sign is fringed with pyrocanthea shrubs laden with red berries, set there by Tony Russo, high school gardener, shown stooping at the right, while at left is Robert Culp, dean of boys, explaining to Gail Gerlach and Patricia O'Brien that the snow men are trying to say "Happy Christmas".

House Number Plan Hearing Is On Tonight

First public hearing for renumbering houses in Campbell will be held tonight when the Planning Commission meets at the fire house and Nestor Barrett, consultant proposes that with Winchester Road and Campbell avenue as starting points numbering be 1000 per mile irrespective of street intersections. Second hearing will be on January 19th.

The hearing on the Dr. Glen Stoops application to rezone from R-1 to C-1-S will be continued and may be acted on as a variance if City Attorney Joseph Bonacina gives an opinion this is proper procedure.

S. Prestigiacomo wants a variance for his property at Winchester Road and Hamilton to extend parking area for a service station to meet set back lines when Hamilton avenue is extended.

E. W. Bucknall wants a change of zone from R-1 to commercial so he can put up a 4 pump Texaco station at San Tomas Road and West Campbell avenue. Ivan Kucich wants a use permit to build an apartment house a quarter of a mile north of Campbell avenue on the west side of the San Jose-Los Gatos Road.

Holiday Fire Warning Given By Chief Scott

The annual upward trend in fires which start in December is on its way today mainly because of seasonable use of portable heaters, furnaces and open hearth fires, according to Fire Chief Jack Scott.

" It is just as important to plan for fire protection at holiday parties as for refreshments and entertainment", Chief Scott added. Here are some simple rules:

1—Do not set up a tree near a stairway or elevator.

2.—Do not block any door with a tree.

3—Check trees for dryness and hazards.

4. State law provides that any and all trees at public gatherings be flame proofed, and all paper decorations and greenery be flameproofed.

5—In candle light ceremonies, candles should be electric. Formulas for flameproofing and retardants are available at many stores and tree stands.

6—Do not overload circuits with extra appliances.

7—Try to get toys labeled with U. L. for heat and spark producing toys.

8—Do not throw discarded wrappings in the fire place, then light all at once because a chimney fire usually results developing into a roof or attic fire. Extra firemen will be on duty Christmas eve and Christmas day, so do not hesitate to call FR 8-2600.

A common and easy mixed flame retardant can be made from 9 oz. borax, 4 oz. boric acid and 1 gallon of water. Dip fabric and greenery, but spray trees, Scott advises.

Campbell Union Grammar School will present its annual Christmas program tonight at 7:30, and not Wednesday evening, as previously reported.

Ready for the Christmas party for the community tomorrow night in the Campbell High School auditorium are these members of the High School choir who will do a feature number. They are Ruth Rutherford, Nick DeRose, Susan Quist, Willis Dahl and Jan Shelton "This is Christmas" in pageant form, the A Cappella choir, glee clubs and orchestra contending that Christmas is music, while other skits, directed by Virginia Jennings and Kenneth Wallace say that Christmas is the Home, Christmas is Toys and Shop Windows, and Christmas is the Birth of Jesus. There is no admission charge.

CHRISTMAS EXCHANGE TO BRIGHTEN EYES OF CHILDREN

Do you want to light stars in the eyes of children from an under privileged family this Yuletide?

It's easy—call the Christmas Exchange, CYpress 2-1316, and arrange to take one or more needy families whom Santa is planning to skip.

These children stand in need of many things for Christmas—food baskets, shoes and other clothing, toys, and warm bedding. Unless generous persons from outside their own impoverished families provide gifts, these youngsters will have a bleak and cheerless Christmas.

The Christmas Exchange has been set up by Community Welfare Council of Santa Clara County to put needy families and children in touch with individuals or groups who will provide Yuletide assistance for them. The exchange also functions as a clearing house, and thereby prevents duplications of gifts to the same family.

Campbell is served by the Christmas Exchange, along with San Jose and other communities in Central Santa Clara County. Numerous families from the Campbell area are registered with the Exchange, according to Miss Pearl Keas, Exchange secretary.

Although registration of needy families closes Saturday Dec. 17, generous persons who wish to help these families may continue to get names and addresses from the Exchange, CYpress 2-1316, Monday and Tuesday, Dec. 19 and 20.

Congregational Church News

Campbell Congregational Church choir will sing special Christmas music at the services next Sunday, when Dr. Corwin Olds will use a Christmas theme for his sermon. There will also be baptism and reception of new members at the service.

The church school will present a Christmas program at the church school this evening at 7:30 in which children of all ages will participate.

TRUCK LICENSES READY

Owners of trucks, buses, cabs, and other commercial vehicles may secure their 1956 license plates and their registration renewals now, Paul Mason, Director of Motor Vehicles said today.

He urged them to apply for their 1956 registrations during the month of December, before the annual renewal of private passenger cars begins on January 3, 1956.

History Club To Hear Peace Talk

Frank Nakasako, a Japanese-American student at San Jose State College now doing practice teaching in American History at CUHS, will speak this afternoon to members of the Campbell High School Hostory Club. Nakasako will describe social science offerings at SJSC which have emphasis on intergroup relations and explain functions of UNICEF, the United Nations organization seeking to break down racial and religious barriers in forty-eight different countries of the world, to preserve world peace.

During Christmas vacation, history club members will preview new historical films, "Quentin Durward" based on Sir Walter Scott's historical novel of a Scotsman at the court of Louis XI and "Magic Fire" the new film based on the life of Richard Wagner. This technicolor offering is said to feature many of the foremost opera houses of Europe and eleven of the greatest works of this famed German composer including "Die Meistersinger" and "Der Fledermaus".

EDITORIAL

POLITICAL MUSCLES

Right in the midst of the Christmas and New Year holidays, an important decision must be made having little or nothing to do with either holiday. It will not be a public election, although in every sense it effects those whose homes and properties are in the Santa Clara Valley.

The election would form the Tri-County Water Authority so that Santa Clara, San Benito and Alameda Counties will have a strong enough voice to be heard in legislative halls and conferences when water is to be allocated from outside sources. It would be big enough to deal and contract with the United States Government.

Congressman Charles Gubser, while in Campbell this week to talk at the High School, said that if he is expected to get through national legislation to solve our water problem, he needs some political muscles to work with, and that this Tri-County authority would be it. Gubser has introduced a bill to build the San Luis project as a source of outside water, from the Delta-Mendota canal by hoisting it to the proposed San Luis reservoir with power generated by the Trinity River project already approved. Assemblyman Bruce Allen is dedicated to support the authority, having helped draft legislation to create it.

The Tri-County Authority directorate would be from the various districts appointed by the Boards of Supervisors.

The directors, under the terms of the act of the State Legislature which created the authority, will each have one vote on the basis of each $5,000,000 of assessed valuation on land within the district.

Once appointed, the directors will be authorized to make a survey of all available water sources, be they State, Federal or private agencies, and then decide which source is the most suitable for local needs.

Once this has been determined, the authority can then contract with the agency involved to bring water to replenish the falling water table here.

Jack Anderson, former Congressman of this district, now assistant to Secretary of Agriculture Ezra Benson, is head of movement to organize the authority, and most of us know how effectively he works in Washington. It looks from here like good, sound planning and should be approved.

A GOOD SUGGESTION

The proposal by former President Herbert Hoover that this nation have an executive vice-President to relieve the Chief Executive of many routine duties, is not to be taken lightly by either party in office. There is so much work to be done, so many places to be and so many people to talk to and greet, that the job, if it is to be well done under present requirements, will wear out any man.

Mr. Hoover knows the extent of these duties as also does former President Harry Truman. There is a great team back in Washington ready and willing to work for the President, but i n many ways they can not do so because of requirements for his personal attention and signatures. We believe the suggestion has much merit and that it should have the full consideration of the Congress.

BILL OF RIGHTS

One hundred and sixty-four years ago on December 15, 1791, the Bill of Rights—the first 10 amendments to the Constitution which are the very heart of our freedoms—became law. Provides due process of l aw in prosecution of crime. prevents an accused person from twice being put in jeopardy on one charge, exempts an accused from testifying against himself, and requires compensation to owners when property is taken for public use; VI. Sets for the right of an accused person to a speedy public trial before an impartial jury; VII. Specifies right to a jury trial in common law cases involving more than $20.; VIII. Prohibits excessive bail, fines or cruel and unusual punishment; IX. Deals with the rights retained by the people, not mentioned in the Constitution. X. Clarifies rights of the states under the Constitution.

Ex-Colorado Governor May Be Dark Horse

Dan Thornton, former governor of Colorado in a talk at San Jose Monday at a $100 a plate Republican banquet said the election next year would not be between Republican and Democrats but between the philosophies of socialism and Americanism. The election he said would be won on the accomplishments of the present administration and its ability to sustain peace.

Thornton advocated a bi-partisan approach to the farm problem like that set up for the foreign policy, suggesting a food bank sending surpluses to the hungry in other lands and ridding the country of costly storage facilities. Foreign money could be accepted as also would needed raw materials from other lands. He strongly opposed government ownership of utilities contending the federal government should only step in when it is impossible for private industry to do so. He said the only places where there is a power shortage is in areas where there is government ownership of the facilities.

He said that he has made 81 speeches in the last 60 days all over the country. He is being mentioned as a possible candidate for the G. O. P. nomination in the event President Eisenhower does not run.

Buc Matmen Win Novice Tourney

Scoring 54 points Friday, the Campbell wrestlers again took first place in the SCVAL novice tournament. Fremont was second with 40 points, and Los Gatos and Washington tied for third.

The Campbell wrestling team carries three strings each of twelve divisions, a total of thirty-six grapplers. These are divided into twelve weight groups, 103 pounds, 112 pounds. 133 pounds, 137 pounds, 145, 154, 165, 175, 191 pounds and the heavyweight unlimiteds. Leading the Buc grapplers are Roger Lukehart, who this year is defending his 191 pound championship, Dallas Sutton at 175 pounds, and Gary Lamb and Glen Cureton in the 165 classification. Actually there can be no specialists in wrestling, since a good grappler must be able to counter as well as wrestle offensively.

Campbell's wrestlers practice every night after school from 2:40 to 5, and many of the most eager contestants keep grappling until after six. Sessions usually begin with warmups, then a teaching of new skills and holds, and then practice against a man of one's own class. Sessions are terminated with 500 yards of 50 yard wind sprints and pushups, situps, and chinups.

Buc varsity wrestling coach is Ken Duddridge, an ex Santa Barbara State athletic great and a great believer in fundamentals and conditioning. His teams in two years have won two SCVAL championships and one Northern California title. Next Buc wrestling meet takes place here tomorrow afternoon against San Lorenzo High School.

The SCVAL finals will be held in the Campbell High School gymnasium on February 11th, and the Northern California finals here on February 18th.

The Cambrian Home and School Club at its Christmas meeting Wednesday, December 7, heard a program given by the Primary grades. A report was given on the Youth Center program and a financial report was made on the recent Fashion show.

Rites Held For Mrs. Anne Bagoye

Mrs. Anne Bagoye, 58, a resident of this county 55 years, died in a rest home here Sunday morning, after a long illness.

She was a native of Seattle and made her home at 149 South Union Avenue. She was the widow of Nicholas Bagoye.

Surviving are two sons, John and George Bagoye, and a daughter, Mrs. Helen Yerkovich, all of Campbell, and six brothers and sisters, including Stella, Nelli, John, Pete and Nick Brayevich, all of San Jose, and Mrs. Mary Labrovich of Los Gatos. She also leaves four grandchildren.

Funeral services were held at 9:30 a. m. yesterday from Denegri-Geoffroy-Origlia Chapel of Flowers, San Jose. Requiem mass was celebrated in St. Lucy's Church at 10, and interment was in Santa Clara Catholic Cemetery. The rosary was recited in the funeral chapel at 8:00 p. m. Tuesday.

Frances Smith, 16 year old Campbell High School senior, is being congratulated by Sam Reed, principal, for having won third place and a $100 award in the Real Estate Board essay contest on the subject of owning a home, her essay having been one of more than 500 submitted from seven high schools in the area. Judges were Edward Fellows, Rev. James Strayer, Robert Buchser, Miss Joyce Backus, Mrs. Holden Brink, Mrs. Louise Forner, Victor Owen, jr., Dr. Russell Tympaby and Dr. Gerald McDonald.

Senior Girl Scouts Feted At Investiture

The Senior Girl Scouts of Santa Clara Valley at a Brunch and Investiture in Almaden Golf Club house heard an Hawaiian song, which had been sung last summer at the Hawaiian camp at which Carol Jean Caldwell counseled.

The president, Eleanor Godon, introduced adult members of the council, Mrs. David Blair, President, Mrs. John P. Gordon, First Vice President; Mrs. R. Groch, Program Chairman; and members of the staff, Mrs. Wm. R. Noble, Evecutive Director, Mrs. Dennis Tedford and Miss Nancy Windrem, District Directors.

Mrs. Tedford introduced members of the patrol going to the Senior Round Up in Michigan from June 29 to July 11, 1956.

Marla Lenz who included the Girl Scout and Girl Guide "Chalet" in Switzerland in her itinerary of Europe last year told of her stay there emphasizing that any Girl Scout may go there or to the "Ark" in London, which is near Buckingham Palace. At the Chalet the cost per day for dormitory and meals is only $1.50 as the work is done cooperatively. Particularly interesting to her was the American Parlor which was furnished in Colonial American furniture. Her gift to the room was a plate decorated with a picture of Carmel Mission.

There was a troop from Texas visiting there at the same time and the contrast of our green uniforms to the predominant blue of the continent was outstanding.

The panel of girls which attended the National Convention in San Francisco gave their reports. Linda Whelan acted as moderator; Eleanor Godon and Diana Paviso spoke of their work as aides, the democracy and the efficiency of the convention; Marilyn Viehweger spoke of the Senior Center where they were able to meet girls from all over the United States and from many foreign lands; Joanna Petkowicz reported on the speech, "The Choice We Make", and other speeches which illustrated how the Girl Scout Promis and Laws make good citizens, how Scouts must look around for opportunities, and laughingly, how Brownies wriggle, Intermediates giggle, and Seniors fiddle with the dials.

Julia Hoagland reported on the Senior Scouts' discussions which included such topics as "Shall we retain the name, Senior Scouts?", Uniform changes, replacement of the 5-point Badge by a pin, and the need for more extended public relations to let people know about Senior Girl Scouts.

Other homes to be opened for the tour are those of Dr. and Mrs. G. L. Fleming at 1051 Westwood Dr., Mr. and Mrs. A. S. Cakebread at 2098 Westgave in Willow Ranch, Mr. and Mrs. Victor Owen, Jr., at 5457 Greenside in the East Foothills and Mr. and Mrs. Fred J. Fletcher at 5410 Fairway Dr.

All proceeds from the sale of tickets will go to the Student Y, a non-sectarian, co-educational organization, the services of which are available to all San Jose State College students. It sponsors social and recreational activities, discussions and forums on world affairs, religious topics and student problems. It promotes good relations between faculty and students and is interested in the welfare of students as they make the adjustment from high school to college life.

Tickets are available at the Student Y, 205 S. 9th St., at San Jose churches and from committee members at the door of each home on the day of the tour.

Bucs Split Pair With San Jose

By Steve Dunn

A highly ranked San Jose Bulldog quintet downed the varsity basketball squad of Campbell High, 72-63, in the second of two games played in the Buc gymnasium before an enthusiastic group of rooters last Friday.

In spite of this being the fourth straight loss for the Bucs, they were the more aggressive of the two teams and showed a great deal of promise. For the first time this year, they gave a good showing in the fourth quarter. In fact, at one point in this last quarter, they were behind by a total of 17 points. Fighting back, they closed the gap to nine points, as the final buzzer sounded.

Roger Almquist dropped in 13 points to lead the Bucs in this one. Vernon Lunt was only one point behind with a total of 12. John Bogonyi and Jim Williams also lent a helping hand with respective 9 and 8 points. Between the two San Jose high scorers, who were Madden with 19 and Perez with16, Madden, the righ guard, hurt the Bucs most with 14 points scored alone in the third quarter.

In the final game, the Campbell Thirties evened off their record at two wins and two losses by defeating the Bulldogs, 32-31. This was a terrifically close and exciting game, as the Bucs led by high point man Don Kitajima with 12 points, surged out in front within the last twenty seconds, 32-20. Then, with less than five seconds remaining, a San Jose man was fouled. On the free throw line, his first throw was good, making the score, 32-31. Then, with the outcome of the game resting on his shoulders, he missed his second attempt.

This was a sweet comeback victory for the Buc Thirties, as they overcame a 17-8 halftime deficit.

Rams Beat Bucs In Hoop Games

Vince Sanfillippo turned in the outstanding Buc performance in the B game as he dropped in a total of eight points.

Buc Bs Top Lions

Led by Don Kitijima with ten points, the Campbell basketball team downed the Lincoln Lions, Saturday the third of December, 35 to 24 on the Buc hardwood in a non-league tilt. Don was closely followed by Lee McNabb with six digits and Rowe with five.

Campbell was in command 17 to 14 at the half and in the final two periods built up their first victory of the "55 season.

Scoring went at follows:

Kitijima	19
McNabb	6
Rowe	5
Uyeda	4
Miyakusu	3
Filing	3
Cradduck	2
Sanfillippo	2
